Hello VGC Homeowners

RE .. VGC Management Update

We hope this email finds you safe and well during our Coronavirus crisis..

Unfortunately, our world is just starting to understand the future impact of the virus on our general health and economic stability .. Because this virus is highly contagious it is critical that we keep our VGC work and meetings environments safe. The ZOOM video conferencing systems will be used for committee and board meetings until it's safe to meet in person again. And, VGC emails will continue to be a primary means of communication with the membership.

Next Wednesday 27 May, your VGC Board and Committee Leads will hold their first ZOOM conference to review progress and outcomes through our first five months with a focus on the following areas .. Safety & Covid 19, Operating Budget, Reserve Fund Projects, Central Accounting Proposal, Common Area Maintenance, Water Conservation, LUS Standards, New CCRs Calendar, Strategic Planning & Management for 2021 [and beyond] including volunteer personnel needs.

Currently the finances of the Villages are in good shape. We want to thank all our homeowners for paying their dues on time. We encourage anyone who may be experiencing financial difficulties to contact us if you think your payments may be delayed. The Finance Committee co-chairs, Marie Evans and Jim Hall, are monitoring our income and expenses and will work with the Finance & Reserve Study Committee to advise the Board on issues related to the economy and HOA finances.

Ideas, suggestions, etc. for the “Good of the Villages” are always welcome .. please address in writing to: Dick Cook, VGC President, villagesgarrisoncreek@gmail.com
