

HOMEOWNER REQUEST – APPROVAL TO REMODEL/ADD A BUILT STRUCTURE

To facilitate approval for homeowners who wish to alter the exterior of their home, or add a built structure (such as a pergola, gazebo, shed, or other structure that may extend above the top line of a fence) where it is visible to neighbors, we ask that you completely fill out and submit a copy of this request to the Architectural Review Committee for consideration.

As stated in the Land Use Restrictions, Homeowners may not make exterior changes to their home or add detached “outbuildings” without prior approval from the Architectural Review Committee. See Paragraph 3 under CONSTRUCTION (New and Update).
