

HOMEOWNER REQUEST – CHANGE OF FRONT YARD LANDSCAPING

To facilitate approval for homeowners who wish to change the existing front yard landscaping for their property, we ask that you completely fill out and submit a copy of this request to the Architectural Review Committee for consideration.

As stated in the Land Use Restrictions, Homeowners may not alter the front yard planting areas without prior approval from the Architectural Review Committee. See Paragraph 2 under LANDSCAPING AND YARD CARE

Date Request is Submitted for Consideration: _____

Name of Homeowner: _____

Property Address: _____

Contact Phone: _____

I/We would like to revise the front yard landscaping on my/our property and submit the attached information for your consideration and approval.

_____ Request approved by Architectural Review Committee, by _____

Date Request Approved _____

Please attach a drawing (does not need to be to scale) of the proposed plantings for your front yard, as well as a photograph of the specific space to be changed. Please also provide a detailed list of the type and number of plants you intend to remove and/or replace. To assist you in making choices, please refer to the approved plants list posted on the Villages Website under the ARC tab. If you wish to use a professional landscaping company for this process, please submit a copy of their drawings and plant list.
