

Social/Welcome Committee Report

October 30, 2022

*October Fest was held Sunday, October 9, at the Gazebo. The purpose of this event was to highlight the importance of volunteerism in the functioning of The Villages of Garrison Creek. Linda Olson gave a short summary of the main committees and invited those residents who are interested in becoming involved to sign up for the committee of their choice. Several residents indicated their interest in the Social/Welcome and Landscaping Committees. Following this presentation, Mike Serra barbequed delicious Brats and several delicious side dishes and beverages were also offered. The event was attended by approximately forty residents and several expressed their appreciation and enjoyment.

*Eighteen homes have been sold and closed this year and each of those new residents have been visited and presented with a Welcome Bag by a member of the Social/Welcome Committee.

*The next social event will be held on December 3. Stay tuned for details.

Respectfully submitted,

Denise Bartlow and Joyce Beecroft
