

VILLAGES OF GARRISON CREEK

VOTING DEADLINE EXTENDED TO JUNE 16, 2023

On April 12, 2023, all homeowners were mailed a hard copy of the

- **Amended and Restated Articles of Incorporation of The Villages of Garrison Creek**
- **Amended and Second Restated Declaration of Covenants, Conditions, and Restrictions of The Villages of Garrison Creek**
- **Bylaws of The Villages of Garrison Creek Homeowners Association**

These documents are available on the website at www.villagesofgarrisoncreek.com and in print, if requested. Also in the mailing was one (1) ballot and a self-addressed, stamped envelope.

According to the Washington State Law (RCW 64.38.120), a quorum of returned votes must be received for the election to be validated. The quorum for this election is 75% of membership, or 180 votes. This quorum was not reached by the first deadline of April 28, 2023. A 67% affirmative vote or 161 votes is needed for passage. The returned votes have been secured and not yet counted.

Therefore, the **Board has extended the deadline for a ballot to be postmarked to June 16, 2023.**
If you have already sent in your ballot, YOU DO NOT NEED TO VOTE AGAIN!

The committee will set a new date for tallying the votes. Meanwhile, the elections committee chairperson, who is a non-member of the Villages HOA is holding all sealed ballots.

If you have not voted and cannot find your ballot, you may contact the elections chairperson by emailing info@villagesofgarrisoncreek.com for a replacement. Ballots must be mailed to Villages of Garrison Creek, Elections Committee, PO Box 694, College Place, WA 99324 and must have the Village home address and the member's signature on the back of the envelope. (Envelopes and ballots will be separated prior to any tally.)

Members may comment in person on the documents at the May 24th Board Meeting or by emailing vote-comments@villagesofgarrisoncreek.com and those comments will be shared on the Villages website www.villagesofgarrisoncreek.com and in print, if requested. Questions concerning the voting process, ballots, or the documents may be directed to info@villagesofgarrisoncreek.com.

Please VOTE by sending in your ballot today. If you have already voted, encourage your neighbors and friends to vote. Since everyone cares about this community and about their house value for the future, everyone should VOTE! Not voting means that others will make the decision for you.
