

Marie Evans

630 Creekside

Nominated by the MPMA Board of Directors

My husband, Larry, and I have been full-time residents of the Villages since April 2015. I have been an MPMA Board Member since 2018, serving the last 5 years as Treasurer. I know the commitment that is needed to be of service.

I want to continue the work in our community, ensuring that our grounds and roads are well maintained and attractive. I believe in volunteering and service. Larry and I lived in a managed HOA prior to moving here and know that professional management has some serious drawbacks that would have to be researched before the Villages consider such a move. We support the current direction of the Villages.

I have served on many boards over several decades and have been professional staff for others. I've been a leader and trained leaders in several local and statewide non-profit organizations. Before retiring in 2015, I specialized in legal issues that affect education employees, working with more than a dozen attorneys across the state of North Carolina. I meet all the criteria for board candidates outlined by HOA Member Services, a nationally recognized organization for HOAs. We need candidates that work as a team and have confidence in each other. The current leadership is consistently working towards what is best for the Villages.

I ask for your vote for the 2024 MPMA Board of Directors. Let's keep the Villages beautiful and inviting. Let's work together towards a community where neighbors know and care for each other, where we consistently maintain the equity in our properties, and where we work together in harmony and respect.
