

Garrison Creek Gazette

Official newsletter of the Villages of Garrison Creek Homeowners Association

- Sorry, but we have no social events this month. Zero. Zip. It's. Just. Too. Hot.
- But our annual *EI Color de Mexico* is on the schedule for 3 PM Sunday, September 8.
- Please don't park on the street overnight – otherwise, it's tough for fire trucks to squeeze through our narrow streets.
- Lots of local owls and foxes are out there looking for snacks – so please don't let your cat roam free.
- Who's in charge of the new development next door? We don't know, and they won't tell us.
- Questions or concerns about lawn care? Email us at: *info@villagesofgarrisoncreek.com*
- This month, we're fixing crosswalks and sidewalks – so please give our workers lots of space as you drive!
- Board Meeting: 2 PM Sunday, August 25, at Sonbridge.

Building a Better Community

Here are two ways you can help make the Villages of Garrison Creek an even better place to live:

Welcoming Committee

As part of this, you'd greet new residents with gift bags and essential information about our community.

Social Committee

In this group, you'd plan get-togethers such as the upcoming Oct. and Christmas events.

Interested? Drop me a line – together, we can make the Villages of Garrison Creek an even better place to live!

Linda Olson

President, Villages of Garrison Creek HOA

Pay Dues Without the Blues

You can keep paying your HOA dues the same way you've always done – that hasn't changed, and doing so won't cost you any more than it's costing you now . . .

But if you want to make things a little better for everybody, then here's some ways to do it:

- If you write a check, then please make it payable to "Villages of Garrison Creek."
- No matter how you pay, sign up for *PayHOA* to review account and contact info; to do so, email us at *accounting@villagesofgarrisoncreek.com* .
- And yes, you can use *PayHOA* to pay dues online – it's easy and fast . . . but keep in mind there will be some additional fees involved.
