Nominated by the MPMA Board of Directors

My husband, Larry, and I have been residents of the Villages since April 2015. I have served 7 years on the Board, 5 of them as Treasurer and 2 as Secretary. I know the Village needs and am proud of the work that the Board has done to maintain our grounds and buildings. I know the commitment it takes to do the job. It does not help the Villages to have any Board Members who are away for months at a time. It does not help the Villages to have any Board Members who have only offered criticism and lawsuits.

As members of the Villages, we are all owners of the roads, parks, ponds, bridges, and other common areas. Maintaining our Village properties protects the investment we've all made in our homes. The work takes dedicated volunteers who are knowledgeable, present, and active. Board members must be able to commit hours every week behind the scenes to ensure the business of the HOA is continuing. We need board members that work as a team and have confidence in each other. The current leadership is consistently working towards what is best for the Villages. We pay the same dues as everyone else, so we strive to spend every dollar wisely for the good of all the Villages.

I have served on many boards over several decades and have been professional staff for others. I've been a leader and trained leaders in several local and statewide non-profit organizations. I meet all the criteria for board candidates outlined by HOA Member Services, a nationally recognized organization for HOAs.

I ask for your vote for the 2025 MPMA Board of Directors. Let's keep the Villages beautiful and inviting. Let's work together towards a community where neighbors know and care for each other, where we consistently maintain the value of our properties, and where we work together in harmony and respect.
